## Le Mans: The Heritage Parade

**Motoring Adventures is offering a limited number of places on its Heritage Parade, at the Le Mans 24 Hours in June. The Parade gives owners of selected cars the chance to drive several laps of the full 8.5-mile 24-hour race circuit, early on the Saturday morning of the world-famous endurance race, followed by use of Motoring Adventures' fabulous hospitality facilities at the heart of the circuit. This enables Parade drivers to participate fully in the atmosphere of 'the world's greatest motor race', and to take a genuine part in the activity throughout the Le Mans weekend.**

To qualify for the Parade, cars need to be of a marque which have a connection with the history of Le Mans – cars such as **Ferrari, Maserati, Jaguar, Bentley** and **Aston Martin**. In addition to the parade laps, the circuit and hospitality package includes entrance tickets to the Le Mans 24 Hours; reserved, covered grandstand seats; full circuit hospitality in a private facility with its own garden; a post-parade champagne breakfast, Saturday evening buffet, Sunday barbecue lunch plus secure and fully guarded circuit parking.

Prices range from £695 for the circuit parade laps only, through to £1300 for the full circuit and hospitality package – and, in each case, the price covers the car plus two people. A full tour package, including a choice of 3-star hotel accommodation from Thursday 12th to Monday 16th June 2008, is also available through Motoring Adventures.

Motoring Adventures is the sister company to **Motor Racing Legends**, best known for organising the annual support race at the Le Mans 24 Hours. This year, **Motor Racing Legends** is presenting a one-hour support race for cars of the Group C era.
