## [Our 10 favourites from the Bonhams Zoute sale in Belgium](#)

### Lead

Coinciding with the fifth Zoute Grand Prix held in the Belgian seaside resort of Knokke-Heist, Bonhams will hold an auction with almost 40 hand-picked cars. Here we select our 10 favourites from the many tempting classics...

### Nigel Mansell's Ferrari F40 under the hammer

For most, the highlight of the [11 October Bonhams auction](#) will undoubtedly be the [1989 Ferrari F40 formerly owned by F1 hero Nigel Mansell](#), estimated to fetch €600,000-800,000. However, our personal favourite could be had for a tenth of that sum: a [1969 Maserati Mexico](#), estimated at €60,000-80,000. Supremely understated, and fitted with the desirable 4.7-litre V8 and rare automatic gearbox, this gentlemanly GT has covered fewer than 45,000 miles and remains in an original, unrestored condition.
