Bonhams Goodwood Revival Auktion: Alle Ergebnisse

Lead

Die Highlights der diesjährigen Bonhams Goodwood-Revival-Auktion stammen vorwiegend aus der Vorkriegsära. Erfolgreichstes Lot der Auktion ist der 1928 gebaute Mercedes-Benz 36/220 6,8-Liter S-Type. Der offene Tourer im absoluten Originalzustand konnte für 2,8 Millionen Pfund Sterling verkauft werden

Auch wenn das Ergebnis des Mercedes-Benz und des Lagonda V12 Le-Mans Team Car – verkauft für 1,3 Millionen Pfund Sterling – zufriedenstellende Ergebnisse darstellen, waren die Bonhams-Bieter nicht in größter Kauflaune. Das könnte auch die Zurückhaltung der Sammler und Händler beim Aufruf der mit Spannung erwarteten Hartley-Sammlung erklären. Der Maserati Tipo 26 (Lot129) fand erst nach der Auktion einen Käufer (533.500 Pfund Sterling). Das gilt auch für den Maserati V4 Sedici (Lot 130 / Verkauft für 432.700) und für den Tipo 26 Sport (Lot 129 /Verkauft für 1.681.500 Pfund Sterling)
