This Restored Citroen horsebox was first registered new with the Milano registration MI 746311 and was used by a noted Horse racing stable. This truck was also the subject of an article in RUOTECLASSICHE about Citroen historic trucks. This truck is on the button and would be ideal for use as service vehicle for the transport of classic cars and bikes. A charming entry to racing paddocks. Questa splendida esemplare fu sottoposto ad un restauro complessivo in 1999 ed ancora si presenta superbamente sotto ogni aspetto. Questo affascinante forgone fu soggetto di un ampio articolo nella rivista Ruoteclassiche ed è pronto per soddisfare il suo fortunato futuro proprietario.
