The Ferrari 365 GTB/4 'Daytona' is one of the most significant models in the history of the world's most famous car company. As well as revolutionising the company's styling, the Daytona was the most powerful road car Ferrari had produced at that time, and would sell in large numbers around the world. Even today, the car is an icon in performance car terms, and one to which Ferrari owes much of its reputation as the builder of the greatest road cars. The Daytona came at a time when Ferrari was dominant in sports car racing with its sports prototypes, and the road cars the company developed were increasingly distanced from the raci
