Beschreibung

The two year frame off restoration this Aston Martin received has resulted in a concours quality product. The maroon paint presents nearly new with all chrome shiny and correct. The interior is finished in a subtle maroon leather, and features the full set of original gauges trimmed in gorgeous wood grain. The engine is tuned and running properly, however a car of this stature is right at home sitting quietly among other greats!

Vehicle to be auctioned Friday, October 31st at Motostalgia's 2nd Annual Grand Prix sale in Austin, TX. For more information visit www.motostalgia.com
