- Completely refurbished
- Very nice presentation
- A legendary model
- Car from the movie "Ritournelle"

This beautiful "Mini Woody" on offer has been completely restored in 2011, a bare-body restoration, replacement of the floors, the sills and the wooden portion at the rear. The car received a new coat of paint and all the chrome and accessories are new or redone. The total body work took more than 600 hours of labor. The interior (upholstery, carpet) was also completely redone. Meanwhile, the mechanicals have been fully restored, including the engine, gearbox, running gears, electrics, brakes... The invoice of mechanical parts totals about ? 6,000, to which must be added the hundreds of hours of labor. After this extensive restoration, the car participated in the filming of "La Ritournelle" with Jean-Pierre Darroussin and Isabelle Huppert. Green in color with light green interior, this four-speed transmission Mini 850 is equipped with a leather aluminum steering wheel and antique light alloy rims. Since its restoration, this attractive wooden wagon has covered only 1500km. This high quality restoration gives an additional appeal to this British mythe.
