Beschreibung

Fresh from Allard Motor Works, this roadster has its Certificate of Origin from Allard Motor Works and only test miles on its upgraded 6.1 liter Hemi engine. With a fresh coat of deep blue paint, this roadster is in showroom condition reflecting the exact aesthetics one would have witnessed in the showroom in 1953. With modern power and new metal work, this open air sports car is perfect for those who can't get enough of the roadster lifestyle.
