French title

- Low mileage
- Cabriolet 2+2
- Regularly maintained
- No reserve

The Mondial occupies a special place in the Ferrari range, being a 2+2 V8 mid-engined car with a roomy interior. Even the cabriolet version has room for two children in the back. The Mondial T was the ultimate evolution of the model, with the V8 engine of the 348 producing no less than 300 bhp !! Mounted longitudinally and mated to a transverse gearbox (hence the T in the name), the engine could power the car to over 250 km/h with ease.

The example on offer was bought at Artcurial in 2006. Today the odometer records 40 518 km from new and the condition of the car reflects this extremely low mileage, particularly as it has been regularly maintained by the owner's mechanic. The red coachwork is very correct and the black

leather upholstery shows only the slightest signs of wear. The car is accompanied by its service book and toolkit. Before driving this Mondial T in earnest, it is advisable to change the belts.
