Beschreibung

Our particular car is based on the Jaguar 420 platform, and according to the accompanying Jaguar/Daimler Heritage Trust certificate was supplied as a 'CKD' (Completely Knocked Down) car, to be assembled in Italy with Bertone bodywork

Only two owners from new : It was delivered to a wealthy customer in Madrid in 1966 and stayed there until the previous owner discovered it in a corner of an old garage building

Very original condition. The interior is original : absolutely beautiful

Repainted to its Emerald Green original color in 2015

The engine runs very well and the manual/overdrive gearbox is just perfect

57,400 miles from new.

Perfect for Pebble Beach, Villa d'Este or any major Concours d'Elegance

A unique opportunity to own an ultra rare and superb Jaguar.
