Beschreibung

1974 Honda MT250K0
Registration no. not registered
Frame no. MT250-1006113
Engine no. MT250-1006445

This original Honda MT250K0 came from a private collection in Michigan, USA. Imported this summer specifically for this auction, it is presented in very good condition, showing only 911 miles on the odometer. The machine was running fairly recently so re-commissioning should be fairly straightforward. This is a road going enduro version of the early and highly sought after CR250 Elsinore moto-crosser. The MT series was only sold officially in the USA and clean examples such as this are hard to find in Europe. Parts are available for this model from David Silver Spares Ltd, which also has a branch in the USA. All taxes have been paid, a NOVA declaration completed and the Honda comes with a US title so UK registration is straightforward.
