An icon, this well maintained BMW 2800 CS Automatic! This is an original Dutch car and comes from the 4th owner. About 10 years ago restored, and still in a beautiful and healthy condition. The bodywork is perfect and without any rust. The paintwork is very good and also all chrome parts. The front and rear seats are finished in dark blue leather, and completely renewed during the restoration. Equipped with power steering and electric Windows front and rear. This beautiful designed coupé is an even rarer appearance, and according to the various registers there are less than 2500 remaining. ... worldwide! In the 70 's the absolute competitor to the Porsche 911, and the absolute winner on the circuit with drivers Niki Lauda, James Hunt, and also the Dutch Toine Hezemans. Great car to drive, but also as an investment very interesting!
