### Beschreibung

The Lamborghini Jarama, named after the bull breeding area of the Jarama Valley in Spain, was born as a replacement for the Islero to meet USA standards. A baby Espada of sorts, the Jarama was also penned by famed designer Marcello Gandini and powered by the brand's signature 365hp V12.

This restored Jarama —one of 176 standard models out of 328 Jaramas ever built— offers the thrilling experience of an exotic 70's Italian V12 in absolute, leather-wrapped comfort.
