Rare 1977 Honda CB 750A in exceptionally original condition. The last owner kept the bike for more than 31 years in his possession. This A1 is one of only 2.300 ever produced in its 3-year history. They were only available on the Japanese and American markets. The Honda 750 A with 'Hondamatic' 2-gear semi-automatic transmission is quite remarkable! It has driven only 36.314 miles! Mechanically faultless it provides great handling. All chrome details sparkle. Finished in Bordeaux red with gold striping. Especially in this condition this is a unique bike!
