### Beschreibung

Sold new by Garage Francorchamps in Belgium to a lady at the end of 1973.

Sold to Christian Philipsen (secretary of the Ferrari club France) in 1975 with 3000 kms.

He kept the car until 1982. The car was always maintained by Ferrari Francorchamps.

The car was then sold to the Baron Bic in 1982 with 80.000 kms.

After that, 06878 was sold to Jacques Dufau with 90.000 kms.

Sold to GTC in 2000.

Then, sold to a French collector at the end of 2000.

The car came back in our premises. Between 2000 and 2012, the engine has totally been rebuilt (invoices and pictures).

We sold the car to a gentleman in 2012 and bought it back (again) in 2018. The previous owner

brought the car to a mechanic in the South of France in order to restore and replace some parts.  
The interior has been restored as well.

This Dino 246 GTS is like new, in perfect condition. The original interior is beautiful and the engine works perfectly.
