Beschreibung

1965 Maserati Mistral Spyder 3.7L - Chassis AM109/S*057

Maserati introduced the Spyder version of the Mistral in 1964 and produced about 120 cars, declined in three engine's version: 3.5L, 3.7L and 4.0L.

Our car, chassis AM109/S*057 is one of the 76 cars built and one of the 11 cars fitted new with a hard-top.

This Maserati Mistral Spyder was sold new in Italy to Mr. Aldo Scialotti, director of the "Radio Scialotta".

Its third owner, Mr. Emilio Ghutti, buys the car in 1999. From then, he decided to restore the car, without paying attention to the cost. The interior was trimmed in Black Leather and the car was painted in its original color called "Argento Auteuil".

The car is coming with its very complete Maserati Classiche certificate, its original hard-top painted in Black and its original (and very rare) set of Maserati luggages.
