Beschreibung

TECHNICAL FEATURES

BRAND: RUMI

MODEL: 125 TURISMO LUSO

YEAR: 1954/55

ENGINE TYPE: two-stroke, twin-cylinder with Dell'Orto MB 22A carburettor

DISPLACEMENT: 124,68 cc

POWER: 5,9 hp

TRANSMISSION TYPE: 3-speed

The 125 Turismo was the first to leave the Rumi assembly line (the prototype was dated 1949) and was presented in April 1950. The deliveries began in April. In October a new version with modified colours came out, while in November of the same year, a new improved version was presented with a new frame. The Turismo could be provided on request, with a sidecar by the Roman company Durapid. The list price was set at 198,000 Lire. Production ceased in 1956.
