We have a unique 1967 Mercedes Benz 230SL Pagoda. It is unique because from its delivery date of the 25th February 1967 in Mesa, Arizona until now it demonstrably has been owned by one and the same person! This car comes amply documented with i.e. stamped service booklets, owner's manual, invoices and original data card. It has enjoyed perfect care at the hands of a Mercedes specialist and has never been restored. The lovely bodywork is original and has nicely fitting body panels. The authentic car interior has withstood the passing of time remarkably well and exudes the right amount of patina. It has the original 'Grau Beige 716' finish in combination with a green leather trim, green carpets and matching hard and soft tops. This factory issued colour combination is relatively rare and most desirable therefore. The Pagoda has its matching numbers engine as confirmed by the original

data card. This car is truly unique, where in the world could find another one-owner, unadulterated Pagoda?
