An extremely rare and desirable Rolls Royce Silver Cloud III SCT100 without division. CAL55 is virtually a one owner car from new, originally delivered to D.F. Ashton of Jersey in 1962 before being bought by the second owner in 2018. The history file is amazing, with all the original correspondence from Mr Ashton to the factory, original handbooks, James Young Maintenance instructions, Radiomobile booklet etc etc all in beautiful condition.
