Beschreibung

This classic car is for auction at online auction platform Catawiki. Please click here to place a bid and to find more information about this. Alfa Romeo Spider 1600 Aerodinamica (Pininfarina) in very complete and good condition from 1988. The red paint of this Alfa – which still rises in value – is in very good condition. Technically, the Spider drives and shifts flawlessly. The black interior and softtop are still in 'mint condition'. In July 1994, the Spider came to the Netherlands and has since had a Dutch registration. This Alfa Romeo recently received a new Dutch periodic vehicle inspection that is valid until August 10, 2020. In short, this is a real Italian beauty who certainly deserves to be driven! You are more than welcome to view this car in our showroom and possibly take it for a test drive before you place a bid. This vehicle can be viewed and picked up in Oldemarkt, the Netherlands.
