### Beschreibung

This magnificent A35 was restored by an old Rolls Royce mechanic for himself, so the quality of work is second to none. It now drives beautifully, pulling like a train and braking like a formula 1 car having had a servo fitted.

Ready to show or use as a frugal and practical classic being both M.O.T and tax exempt. Comes with workshop manuals. Insure it for less than £100 a year, great fuel efficiency, zero Road tax. This car is cheaper to run than getting on trains and Buses, and you can take three passengers with you?
