### Beschreibung

3'690 cars built. The Fulvia on offer was delivered new in Italy before being imported by an US collector in the mid 2000's. The Lancia was brought into Switzerland in 2014 by a collector. In 2019 the master cylinder, the brake servo and all the brake hoses have been replaced. Rare and beautiful Fulvia 1600 HF of the second series in very good condition. Last Swiss MOT including veteran status completed in February 2019.
