Kilometerstand	27 900 mi / 44 901 km	Standort	
Getriebe	Automatik	Außenfarbe	Sonstige
Losnummer	131	Automobiltyp	Sonstige

Beschreibung

"The Land Rover Defender was launched in 1948 and, incredibly, production only finished in January 2016 after a continuous run of 67 years. Outwardly, there is little to distinguish the post-1983 vehicles from the Series III Land Rover. A full length bonnet, revised grille, plus the fitting of wheel arch extensions to cover wider-track axles are the most noticeable changes. Internally, coil springs offered a more comfortable ride and a permanent four-wheel drive system derived from the Range Rover featuring a two-speed transfer gearbox with a lockable centre differential. A modernised interior and a new series of progressively more powerful and modern engine characterised things under the skin.

This Defender 90 2.4TD XS is an exciting opportunity to own a rare and amazing example of the iconic Land Rover Defender with Twisted Performance P10+ upgrade to 182bhp and an automatic gearbox. This is one of the best looking Defenders we have seen and is in fantastic order. Twisted are perhaps the world's leading bespoke restorer and upgrade specialists with their Defenders often seen anywhere from off-road in the Yorkshire Dales to the high streets of Kensington. Supplied with delivery mileage by Bramley, this Defender looks superb in Orkney Grey with Saddle Brown hide and has a fantastic set of features including 18 five spoke alloys, Recaro CS seats, sunroof, air

conditioning, heated front seats, rear LED lights, rear bumper step and tow bar, Twisted P10+ Performance Package, Road Sport Suspension Package, KBX upgrade grille and vent set, Dynamat sound proofing kit to full Interior, wing mirrors in body colour, front bumper in body colour, LED daytime running lights, rear cross member in gloss black, privacy glass, steering guard in body colour, Momo steering wheel, extended leather to door cards, dash, visors and window surrounds, Mantec spare wheel carrier, reversing camera, Alpine stereo system and more.
The registration L90 TWS is included in the sale and completes this ultimate Defender, it has just been serviced in July 2019 by Harwoods Land Rover, Basingstoke for complete peace of mind. New, this Defender would have cost over £80,000 so viewing is highly recommended."
