## Beschreibung

This outstanding Aston Martin DB4 GT Zagato has such good race pedigree and known ownership from new.

The Aston Martin DB4GT Zagato race car was built on an original series 1 Aston Martin DB4, with a shortened chassis to GT specification and a perfect lightweight aluminum body by Shapcraft of Northampton.

The engine was up-rated to 4.2 race specification to 385 bhp by Aston Engineering, who also fitted a short shift close ratio gearbox and matching rear axle.

The complete suspension and braking system was also up-rate to race specification.

Full race alloy fuel tank and fuel lines. A true race cars in all departments.
