Beschreibung

A truly unique barnfind is this 1938 NSU-FIAT Typ 1500 4-Fenster Gläser Cabriolet. Based on the Fiat 508C chassis and mechanics from Fiat, NSU licensed the famous body builder Gläser to build this Sports Cabriolet. Gläser was in those years known for its high-quality and luxury car construction. This version is extra special because this is the version with the more powerful 6-cylinder 1500cc engine. We do not know the exact number of cars produced, but it is said that it would be around 20. The owner of this unique car has had this project in his man cave all these 30 years, stored it dry. After 30 years of waiting, this car now comes out of the picture for the first time. A unique opportunity to buy a piece of history and to restore. Given its unique history, this car is after restoration suitable for participation in Mille Miglia and other famous events such as Targa Florio, Goodwood Revival, Pebble beach, etc. To get a good impression of the car we advise you to come to one of the viewing days.
