Beschreibung

Beautiful Alfa Romeo Spider 2000 Veloce. Delivered new in America in 1978 and has only driven 42,923 miles. The car came to the Netherlands at the end of 1997 and we have known the car since then. In the past, the car has been restored and technically fully addressed. The body is beautiful, has neat fits and beautiful paintwork. The bottom is original and completely rust-free. The interior is beautiful and has all the original details. Over the years, the car has been exceptionally well documented and has countless bills. Nice 2.0 spider with a low mileage! To get a good impression of the car we advise you to come to one of the viewing days.

This car will be part of an online auction. Classic Car Auctions organizes the annual online auction on behalf of Gallery Aaldering.
