Stunning Porsche 911 2.4 T with sunroof from 1973. Original from New Jersey, USA. A few years ago this Porsche has been fully restored and technically completely overhauled. Of course well documented with a photo report and a countless amount of invoices. Thanks to this restoration you will find the bodywork in a great condition. It is very straight with perfect panel fittings. Besides that, the paintwork is beautiful. Through the years perfectly maintained, resulting in a good working and driving condition. Performed in white with a black/pepita interior, very chic combination! Equipped with some special factory options, including sports seats, sunroof, stabilizer bars, electric windows and comfort package. This Porsche is Porsche certified and features the original 'matching numbers' engine. THIS VEHICLE IS IN OUR STORAGE, VIEWING BY APPOINTMENT ONLY.
