We have been able to source this stunning 1960 Alfa Romeo Giulietta 1300 Spider from Switzerland. This model has a 5cm longer wheelbase compared to its predecessor; much improving the driving position and allowing for more cabin space. A few years ago it was thoroughly restored with a keen eye to the original details. The bodywork is nice and straight with correctly fitted panels and panel gaps. The chassis is very solid and free from corrosion. The car has always benefitted from Swiss precision maintenance and thus will provide many more miles of trouble-free excellent motoring. A very fetching, authentic and long wheelbase Alfa Romeo Giulietta 1300 Spider.
