Beschreibung

We've blended technical performance with luxury aesthetics with the new Bennett Winch Watch Roll. Crafted from the finest black Tuscan leather, this watch roll even features a moulded Kevlar lining, making it impervious to water. Fully padded to protect some of your most treasured possessions from impact damage whilst travelling, this luxury watch roll is lined in olive Alcantara® suede, offering a lavish, soft and protective inner that wraps around a removable holder for up to three watches. Secured by three solid brass poppers, this sleek black watch roll is the perfect companion for travelling with your watches, or for storing them at home.
