#### Description

The specification of this Ferrari F430 coupe is as good as it gets, especially when you consider the rarity of having a gated 6 speed manual gated gearbox. Put that together with Carbon ceramic brakes and the classic colour combination of Rosso Corsa over Crema and you have a rare and desirable F430.

We are fortunate to have many beautiful cars come through our doors but this F430 ticks all the boxes for us as not only is the car itself 'spot-on' but so is the paperwork. Accompanying the car is a full history folder with every service invoice from new by Ferrari and a stamped service book too.

Only 11,700 miles from new, and ready to be enjoyed.
