Beschreibung

Handmade in England by expertly skilled master craftsmen, these distinctive and durable umbrellas are classically crafted using one solid continuous piece of wood. They are available in a wide range of exquisite wood constructions - oak, chestnut, cherrywood, hickory, black maple and whangee. These umbrellas are as strong and sturdy as a walking stick, featuring a high-density polyester fabric canopy individually hand sewn onto a metal rib frame that has have been wind tested, to withstand speeds of 27mph.
