Beschreibung

When it comes to updating a classic, subtlety is key. We've taken the sleek approach with the Duke + Dexter Scott Duotone Cobalt loafer, giving these ultra-premium suede Scotts a shot of cobalt blue along the edges. This contrast brings the shape of the shoe to life; whilst their deep navy shade of Italian suede keeps everything feeling strictly luxurious. Built on a flexible white sole with plenty of grip and lined in Italian leather, these loafers are the definition of all-day comfort, whether you're lounging at home, heading to town or chasing some winter sun.
