Beschreibung

The Duke + Dexter Stealth Houndstooth Loafer - easy to wear appeal from afar and details that pack a punch close up. Made in England, we've decked out this sleek slip-on with our exclusive rubberised sole for year-round wear and all-day comfort. We've worked hard on this upper to give it a really unique look, layering silk on top of a scratch and waterproof suede - giving it a 3D depth perception. The clean tonal colour of this men's loafer gives them the versatility that will take you from your sharpest suit looks to your most casual loungewear.
