Beschreibung

Located in the vicinity of one of the most beautiful villages in the South Luberon, this 18th century estate was once the outbuilding of a neighbouring castle. These days, the property presents almost 600 m² of living space divided into several apartments, in addition to a magnificent old barn (175 m²), a fountain, a water basin and ancient plane trees. It all sits on 32 hectares of land including more than 7 hectares of vines. Full of charm.
