Beschreibung

A sparkling, UK-supplied, right-hand drive SL 320. Just 2 former keepers from new. Only 46,705 miles (atoc) supported by a comprehensive history. Charming colour combination in rare Beryl Blue metallic with magnolia leather Mercedes-Benz book pack, original service book, keys, tools, wind-deflector and some past MOTs. A capable, versatile and robust convertible sports car with the added benefit of a hard-top. Registered to Preston in August 1993, this car has been enjoyed by just three owners. The second acquired the car in January 1995 in Exeter, and the latest in June 2003 at just 27,636 miles in Surrey. Presented in Beryl Blue Metallic with contrasting Magnolia leather interior, this impressive Mercedes is equipped with rear child seats, wind-deflector, electric seats, black mohair power hood, matching body-coloured hardtop, cruise control, alloy wheels and Blaupunkt Casablanca CM62 stereo radio cassette. Also included is a storage case for the wind-deflector, tool roll and spare wheel. The condition of the car is very good as you'd no doubt expect for a model with so few owners, and modest mileage. There is some light wear to the driver's seat bolster, a small crack to the wood on the passenger door card (near the release handle), and one or two very minor marks in the paint, but these comments really are splitting hairs. All told, we're confident this is a car that one would be proud to own. This car has just passed a fresh MOT at 46,705 miles prior to sale. Service
