Beschreibung

This classic car is for sale on Catawiki. To have more information or to place a bid click on the "BID NOW" button. Imported Ford Thunderbird from 1964.

The engine runs well, the brakes need some attention.

A new brake booster and main brake cylinder were installed last month.

The interior is in good condition, the hard parts on the inside need some attention.

The exterior has been sprayed with primer.

The car can be viewed by appointment in Waardenburg, the Netherlands.
