This is a great example of a recently restored 1971 Fiat 500L 110 F Berlina. This is a lovely little car which has been recently fully re-sprayed in the original colour. The red vinyl interior is in very good condition with no tears or damage. We have the original italian service book which has many various stamps and information regarding this cars history. The engine starts and runs as it should and is great fun to drive. Any further information please give our showroom a call on 01628 825110.
