Beschreibung

The King of Cool's jacket in a limited special edition. It's authenticity is certified by its personally numbered lasered Vin Code Plate! Steve McQueen's played the lead role of Michael Delaney in his self-directed race epic Le Mans and there is a black and white print of Steve McQueen in the pits featured on the interior. The original logos of Gulf and the US flag are also part of the look. The cut is casual yet snug - thanks to the gathered waistband.
