Beschreibung

The 6-time FIA Formula 1 Drivers' World Championship winner did not get off to an ideal season opener in Austria, but he's all about making strong moves. The 2020 season may have had a late start but it doesn't promise to let up the momentum. The win at the 'Styrian Grand Prix' makes it 2 out of 2 for the Mercedes-AMG Petronas F1 Team and a uniquely designed poster to celebrate the Winners. Black as a tribute to the shining new, all-black livery that champions the cause of diversity, Green representing the host state, Styria's flag colours, and the Winner himself featured on this exclusive edition.
