EXTERIOR

Finished in an exclusive shade of Circuit Grey the Giulia NRing edition is simply stunning; with its chiselled lines, muscular stance and intricate series of intakes and vents enveloped by the incredible matte paintwork the Giulia captures that classic Alfa charm in an entirely modern package. Offsetting the satin finish, layers of exposed carbon fibre across the roof, mirrors and side skirts, help to keep weight down whilst hinting to the impressive track pedigree of the car.

Having covered less than 2,000 miles from new condition of the car is impeccable, with no signs of stonechips or blemishes to note the Giulia presents as well as it did the day it left the factory.

INTERIOR

Beautifully combining luxurious leathers, machined aluminium and exposed carbon fibre the cabin of the NRing is a balance of comfort and charisma that surpasses any of its German super saloon rivals. The Sparco carbon racing seats look superb and offer fantastic support whilst the rear seats provide plenty of leg room to comfortably seat up to 3 passengers. Facing the driver the carbon fibre construction of the steering wheel and shifter feels satisfyingly solid whilst the large, machined metal paddle shifters are perfectly positioned for rapid shifts at maximum attack.

Sleekly integrated into the dashboard sits the large display/entertainment system which provides navigation, Bluetooth, DAB and all the other modern essentials via a premium Harmon Kardon sound system.

ENGINE & TRANSMISSION

Breaking the Saloon car lap record of the Nürburgring, with an astonishing time of 07:38, the NRing edition celebrates the Alfa's long awaited return to form.

Fitted with a twin turbocharged 3L V6, developed in partnership with Ferrari, the Giulia is a seriously fast car; producing 503 hp it launches the Alfa from 0-60 in just 3.9 seconds and onto a top speed of 191 mph. Power is transferred via carbon driveshaft, 8-Speed ZF automatic gearbox and a vectoring rear differential, which is all adjustable via Alfa's DNA (Dynamic, Neutral, All-Weather) technology.

WHEELS, TYRES & BRAKES

In keeping with the monochrome exterior the 19" alloys present in a gloss anthracite finish and show in perfect condition, free from any unsightly marks or scuffs. Tyres are a matching set of Pirelli P-Zero Corsa's which provide exceptional performance and sit with excellent depth all around.

Showing through the dark spokes are the vibrant red callipers and huge carbon ceramic discs, usually a £5,500 option, the high performance Brembo system come standard with the NRing edition and provides incredible stopping power for the super saloon.

HISTORY FILE

Supplied by Alfa Romeo Slough on 08/05/2019 to the first and current owner this NRing edition is number 96 of 108 produced globally and is thought to be 1 of just 13 cars in the UK. Servicing is covered by a 3 year maintenance plan, with the first service carried out by the supplying dealer of 17/07/2020 and 1,484 miles. The car is also covered by a 5 year warranty manufacturer which is valid until may 2024 and can be extended should the new owner wish to do so.

Being a special edition there were a plethora of extras which will be included in the sale such as Sparco racing gloves, an Alfa Romeo branded jacket, cufflinks, driving shoes, a holdall, a 1:18 scale model (shown in interior images) and an "Instant Classic" authenticity certificate from Alfa Romeo Classiche. At the asking price a model specific number plate can also be included in the sale (96NRG).

Present with the car is the complete original book pack, original sales invoices, V5 and complete set

of keys.

Please visit our website for a full write up and additional photographs.

The car is supplied having had an extensive intake inspection. Warranty, Finance, Part Exchange and Worldwide shipping are all available on request.

Buy with confidence: we operate from a 10,000sq ft indoor showroom with the support of a fully functioning 4000sq ft preparation and service centre that includes a professional photo studio that is used by Top Gear, McLaren and Alpine Stars. We have a passionate team that work incredibly hard to ensure all our motor cars go through our rigorous and unique sales process so they are presented in the best possible condition and light, then found homes all over the world.
