Beschreibung

This original sunbeam Tiger, the most exciting Sunbeam available, with its 4.3 liter Ford V8, was first registered in Denmark on the 15th June 1966. Restored many years ago this little sportster, brimming with power, was acquired by the vendor in 2013. In 2018 the gear linkage was adjusted, the cooling system and radiator flushed and the master brake cylinder as well as the brake calipers were overhauled. The Sunbeam with its matching numbers engine is in good to very good condition and the most recent Veteran MOT was completed in May 2013.
