Beschreibung

Very nice restored Jaguar XK 120. Mille Miglia Eligible. This Jaguar XK 120 Fixed Head Coupé is originally delivered to Belgium Motor Company, Brussels, Belgium. The car has been restored in the Netherlands over a couple of years and in the final stage of restoration, the owner wanted to move on for a new project. An enormous amount of time as well as money has been spent on the car to bring her in the current condition. The Jaguar is in a beautiful period correct blue with a blue interior which suits the car excellent. The design of the XK 120 Fixed Head Coupé is absolutely fabulous and extremely nice. When we bought the car, it was finished for 90%. We restored the woodwork, finished the interior and finished the mechanics. This car is matching numbers, the heritage certificate is available.
