Beschreibung

Year: 1955-1961

Not registered, without papers.

VIN No. 21/8 * 100861 * _x000D_
x000D

The moped Lambretta 48, known by the name "Lambrettino" was the only moped produced by the Milan Innocenti company to have high wheels. It was distinguished by its brilliant engine that allowed it to reach a speed of 60 km/h with very low consumption, in the order of 1 litre per 80 km. Restored and presumably never used since. A general mechanical check is recommended before use.
