Beschreibung

THE ULTIMATE SPORTIVE LOOK

The robust, notched black ceramic bezel with 60-minute scale ensures grip when wearing racing gloves. Perfect for the fast-moving individual.

A RUSH OF HIGH VISIBILITY

Fearless legibility and rapid time telling day and night through the flat sapphire crystal and bright Super-LumiNova® filled hands and large markers.

ROAR AHEAD TO VICTORY

Sporty, shock and water resistant to 200 meters, the TAG Heuer Formula 1 features the date at 3 o'clock, and is ready to overtake.

An energetic 43mm 3 hands watch with a bold orange textured dial and white accents, matched by a black nylon strap with orange and grey touches. A tribute to the playful TAG Heuer Formula 1 models from the 80s and 90s.
