CSMA Brands Hatch Classic Festival 2002

Last year the csma Brands Hatch Classic Festival drew an astounding 34,000 spectators in one day, making it one of the best-attended classic motorsport events on the calendar.

Last year the csma Brands Hatch Classic Festival drew an astounding 34,000 spectators in one day, making it one of the best-attended classic motorsport events on the calendar. This year, organisers csma are expanding this year's event over a full weekend, 18th-19th May, with even more varied and spectacular activities.

The aim of the event is to offer affordable tickets, off-track entertainments to keep the whole family entertained, plus a packed schedule of classic motorsport. Some of the highlights are as follows:

- The BARC will be putting on a diverse programme of racing on both Saturday and Sunday, with classic motorcycles and the EuroBOSS series of F1 and F3000 cars adding to the classic saloons, sportscars and single-seaters which helped make last year's Festival such a success.
- In a rare and dramatic display, courtesy of Brooklands Motor Museum, the mighty Napier-Railton, holder of the all-time Brooklands lap record and the

sensation of 1934, will be seen in action on the Brands circuit.

- The land speed record *Easter Egg* steam car of Leon Serpollet achieved 74mph on Bexhill seafront in 1902. To celebrate the centenary of the car, the csma has helped with the building of a faithful replica complete with engine. This piece of history will be running on both days at the Classic Festival.
- In addition, Saturday will see an auction of classic cars and automobilia by Cheffins Vintage Auctions (01223 358731), including a charity sale with auctioneering by celebrity guest David "Kid" Jensen. Already entered in this sale is a signed guitar, generously donated by Nick 'Pink Floyd' Mason. The Expovilion will also play host to a reproduction 1930s garage complete with period petrol pumps and cars, based on Jack Lake's original garage which today is part of the csma's Cotswolds Motoring Museum.
- Meanwhile a dazzling air show will feature the Spitfire, Hurricane and Lancaster of the Battle of Britain Memorial Flight - plus a daily mock battle by helicopter-borne Royal Marines.
- Tickets purchased in advance cost just £9 per adult (or £15 on the day) with free admission for children under 16. Advance tickets are available from csma on 01273 744773.
