## Put your Classic Car on the big screen...

10 June 2002 | Classic Driver

**UK television company Meridian's successful Classic Cars programme is returning for a fourth series later this year. They are keen to feature cars and their owners from the Meridian region (South of England) who can participate in viewer's car profiles.**

So, if you are an enthusiast and have a Classic Car that you use regularly and you think you have a story worth telling, then please contact them.

Also, if you are organising an event in the Meridian region, or an event featuring Meridian viewers, that you think we should be covering, then please contact the Classic Cars team.

Send a photograph and description of your car to;

Classic Cars  
Sports Department  
Meridian Broadcasting  
TV Centre  
Southampton SO14 OPZ

Or email [melissa.dyer@granadamedia.com](mailto:melissa.dyer@granadamedia.com)
