## 2004 Superformance Le Mans Coupés for UK debut at NEC Classic Show this November

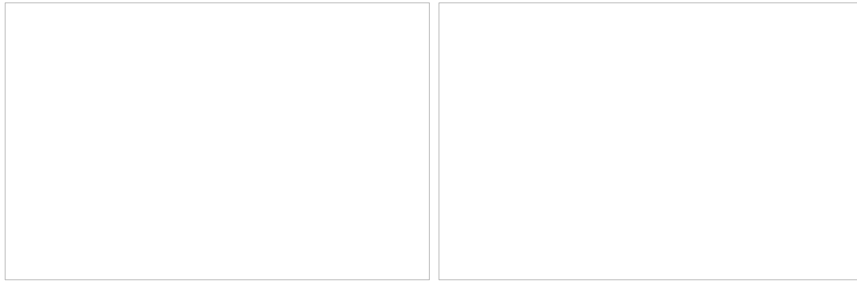

**Over the past five years esteemed car designer Pete Brock has created a fabulous 200+ mph supercar - one of the most beautiful GTs ever seen! Only about twelve of these luxurious, hand built (by world leading manufacturer Superformance of South Africa) road cars will be imported into the UK each year by 'Le Mans Coupés Ltd', of Crawley Down, Sussex and 'Nostalgia' is honoured to have been appointed as the UK's sole distributor.**

### **The car features -**

- Tubular steel ladder/space-frame chassis, clothed in a superbly moulded 'Vinylester' body.
- 6.3 litre Ford V8 blueprinted by Roush to provide 510 bhp and 500 lb ft of torque.
- 6 speed manual gearbox with 6th gear giving 40 mph/1000 rpm. (100mph = 2,500 rpm).
- All-independent suspension by coil springs/wishbones. Ventilated disc brakes all round.
- 18" Hallibrand pattern peg-drive wheels, polished rim/white centre; 200 mph Dunlop tyres.
- 1960's style interior layout, fully trimmed in leather, suede and Alcantara etc.
- Rear opening 'hatchback' incorporating tinted rear window. Extensive luggage space.
- Comprehensively equipped with air-conditioning, remote door opening, power steering and brakes, wind-down windows, central locking, 'period' instruments, mirrors and fittings etc.
- Construction quality, paintwork, trim and overall presentation are to peerless standards.

**Performance** - 0-60 mph in 3.9 seconds, 0-100 mph in 9.5 seconds. 210 mph top speed.

**General** - Widest choice of body colours, with optional stripes/roundels. Owner's manual, tool kit and servicing facility.

**Price/Delivery** - Circa £85,000 'on the road'. Circa three months from order.
