[New Range Rover 'Autobiography' limited edition in UK](#)

Gaydon, Warwickshire, 3 November 2003 - A new limited edition from Land Rover goes on sale from Saturday 8 November 2003 - the Range Rover Autobiography Edition.

Based on the Range Rover V8 Vogue, the Autobiography Edition comes with piano black interior wood trim, all black Jet leather interior, 20" alloy wheels and a Logic 7 sound system with 14 speakers and sub-woofer, especially tuned to match the Range Rover's internal acoustic characteristics.

Available in either Java Black or Zambesi Silver, the Range Rover Autobiography Edition is priced from £65,995, rising to £69,995 for the Autobiography Edition DVD, which comes with twin eight-inch DVD screens mounted in the rear of the front seats, though when parked, an in-dash screen may also be activated, giving three-screen viewing.

One hundred and twenty five Autobiography Editions will be available at Land Rover dealerships nationwide from Saturday.
