

CLASSIC DRIVER

Le Mans Classic 2004 - the very latest...

23 January 2004 | Classic Driver

Further news from Peter Auto, more cars have been selected for one of 2004's finest historic motor racing events, the Le Mans Classic. Hot off the press we can show the following entries.

For those unfamiliar with the format it can be summarised thus; the maximum 366 car entry (+72 reserves) is divided up into six grids (or 'plateaux') by date, with the object of completing 3 races per grid within a 24-hour period starting at 16.00 on Saturday and finishing 16.00 Sunday. In 2002 the oldest cars (Grid 1, cars from 1923 to 1939) started the event, then Grid 2 (1946 to 1956) and so on until 18 individual races have been completed.

In addition to the racing, Owners Clubs are actively encouraged to put on displays - the meeting is supported by the FFVE and the FIVA federations - a large range of trade stands will be available, and there will also be an auction of classic cars and automobilia.

The dates for the 2004 event are 23/24/25 July.

Further information can be obtained from - www.lemansclassic.com

--	--	--	--	--

The first entries have been announced by the organisers as follows - as the entry form did not include a deadline, some room will be left until the end of Retromobile (13 - 22 February) where the Le Mans Classic will have a stand -

Grid 1 1923 - 1929

Driver(s)	Nationality	Car
ACKLAM/CLARKE	GB/GB	MORGAN 4-4 1938

Editor's note; I greatly enjoyed the Le Mans Classic 2002 and can thoroughly recommend a visit in 2004. We are indebted to Classic Driver's regular contributing photographer Alexander Davidis for permission to use his 2002 shots. He has produced a short 'art-film' DVD of the event, and examples of other work that has been featured on Classic Driver include -
