Trevor Houghton-Berry, General Manager MINI UK said: "Since the MINI Convertible made its world debut at the Geneva Motor Show at the beginning of March, we have been overwhelmed by the level of interest in the car. I feel confident that this interest will increase further as people compare the price of our four-seater MINI Convertible with those of our competitors. The MINI Convertible is not only a great drive coupled with stunning good looks, but it also represents fantastic value for money too."

The MINI Convertible will be launched with a choice of eight paint colours, three solid colours (Liquid Yellow, Black, Chili Red) and five metallic colours (Hot Orange, Cool Blue, British Racing Green, Pure Silver, Solid Gold). Hot Orange and Cool Blue are exclusively reserved for the MINI Convertible.

A new range of upholsteries will be offered with the MINI Convertible which includes:

- Cloth Dragon (standard on MINI One Convertible)
- Cloth Octagon (standard on MINI Cooper Convertible)
- Cloth/leather Octagon (optional)
- Cloth/leather Sunrise (optional)
- Leather Gravity (previously only available on MINI Cooper S)

The interior trim range has also been expanded for the MINI Convertible to include body coloured interior trims in Hot Orange, Cool Blue, Chili Red. This option will be priced at £170.
